

## **Grassy Narrows Movie Night Discussion Questions:**

Feel free to talk about whatever you choose... these are just some ideas to get the conversation flowing.

1. Do you think the Grassy Narrows blockade has made a difference?
2. Discuss the important role youth play in this movement.
3. Why isn't the Canadian government listening to the people of Grassy Narrows?
4. Discuss the sustainable use of wood by subsistence communities like Grassy Narrows versus the clear-cut policies of big lumber companies like Weyerhaeuser. Is it okay to chop down a few trees?
5. Discuss the role of corporations in deforestation and other types of environmental destruction. Why is RAN targeting Weyerhaeuser instead of the Canadian government?
6. What can you do help curb forest destruction?
7. What are some creative ways you could help support the people of Grassy Narrows (please pass on your ideas to us!)?
